MEMORANDUM FOR: Chief, Management Staff

SUBJECT: Attainment of Civil Service Status
by CIA Employees

1. This is in response to your memorandum of 24 February 1955 concerning the possibility of attainment of Civil Service career status by Agency employees found qualified by Civil Service examination for positions similar to those they hold in the Agency, and, also inquiring as to Agency policy and procedure in this respect.

2. The Civil Service Commission has advised us that status may be granted only to otherwise eligible individuals who are employed in or certified for employment to positions in the competitive service. Although names of eligibles on Commission registers may informally be made available for filling excepted positions, individuals so appointed to an excepted position do not acquire career status by reason of such appointment.
